De-Snaring Report for February, 2013

Monthly Summary

DUMA DESNARING SUMMARY FEBRUARY 2013.

During the month of February, the two desnaring teams, Kenze and Duma operated jointly (as from 16th February) to boost our patrol strength. The two teams were merged because some of the de-snaring members from both teams have gone for further training at Manyani College. The teams covered Kibwezi forest, Kari and Kiboko areas.

In the course of our patrols no illegal activity was discovered in Kibwezi forest. Illegal fire wood collection was evident in Chyulu Park around Kenzili area and 7 people were arrested.

A total of 20 snares were lifted in both Kari and Kiboko areas. 3 poachers and 1 charcoal burner were arrested in Kari and Kiboko areas respectively. The team discovered several shooting hideouts and destroyed them all especially in Kari. The team also discovered charcoal kilns around Kiboko area, therefore the team intends to make these areas priority patrol areas next month.

Report by,
Samuel Adero.
